

Dear Warrior Families,

We hope you are all enjoying a relaxing and restful summer. We are excited to welcome you back in August to the 2022-23 school year! The dedicated staff, teachers and administration at Westlake High School are ready to greet your students upon their return. Every year, they work hard to make the school a safe and positive environment for our high school students.

Westlake High School PTSA financially supports the students and staff in the school setting. All funds donated to Warrior Wishes directly support WHS programs such as writing and math centers, science lab equipment and supplies, classroom technology and software, supplemental textbooks, P.E. equipment, emergency supplies, hydration stations, student assistance, and so much more. If you are able, our students and teachers would greatly benefit from your donations.

Your PTSA is working closely with WHS administration, staff, and teachers to provide the essential needs for our students and school. By becoming a PTSA member, you have the opportunity to support WHS with volunteers throughout the school year, participate in parent education opportunities, be informed of upcoming events and help sponsor the Warrior Wishes campaign. **WHS PTSA membership is only \$15.00 per adult and \$10.00 per student.** We will be at Orientation (August 16<sup>th</sup> and 17<sup>th</sup>) to help order core lit books or to accept donations in person.

Thank you for your continued support,

Ashley Maziasz, President  
Amy Wang, Vice President
