

Dear Westlake High School Staff, Faculty, Parents and Students,

“To give real service you must add something which cannot be bought or measured with money, and that is sincerity and integrity.” - Douglas Adams

Please consider nominating someone who has made a significant positive impact on well-being of children, youth or families in our school and/or community. Award recipients will be recognized at the May 14, 2020 PTSA meeting.

There are four awards to consider:

Very Special Person Award (VSP) – Life would not be the same without the service this person/organization gives to our young people.

Honorary Service Award (HSA) - May be given to an individual/organization in the PTSA, school or community who has shown excellence in service to our young people.

Continuing Service Award (CSA) - May be given to an individual or organization in the PTSA, school or community for recognition of consistently showing excellence in their service to our young people over a lifetime. This award is usually given to someone who has already received an HSA.

Golden Oak Service Award (GOSA) - This is California State PTA’s most prestigious award. This award is given to an individual who has made EXCEPTIONAL contributions of service to the well-being of young people in the school and/or community.
